

**Mapping Mobility Stockport
Style A - Expedition Format
Session 1 (Draft)**

Main Objective	Introduce participants to project & map of stockport, propose expedition routes
Length	2 hours
Workshop facilitators	Sam Milsom, Jaime Stowcroft present for mapping assistance
Room setup	Large single table
Tech/equipment	Large print, hi-res map, computer, projector, adaptor
Documentation	Map, photos, notes
Media	Hi-res large-print map of Stockport (provided by Jaime Stowcroft), maps of area from 1900s
Materials	Pens, pencils, post it notes
Catering	Refreshments, tea/coffee/biscuits

Time	Activity	Lead	Materials needed	Outcome
14.00 5m	Introductions, housekeeping, agenda for workshop	SM	Slides / projector	Introduce the workshop agenda
14.05 25m	Icebreaker - old maps of Stockport, early 1900s - what has changed?	SM	Maps of stockport from 1900s	Icebreaker, generate discussion.

14.30 15m	Introduce project <ul style="list-style-type: none"> - Aims and outcomes - Input needed - Schedule - Questions? 	SM	Slides / handouts	Introduce participants to project
14.45 15m	Open discussion around mobility issues <ul style="list-style-type: none"> - What sort of things stop them from taking direct routes? - i.e. kerbs / gates / steps - 1-2-4-all format 	SM	Post it notes / paper or whiteboard	Start to generate list/catalogue of the types of barriers to map
15.00 15m	Introduce participants to Stockport map <ul style="list-style-type: none"> - Large hi res map that can be spread on table 	SM/JS	Hi res, large scale map of Stockport	Introduce to physical map that will be used
15.15 30m	Highlight and draw on map preferred routes <ul style="list-style-type: none"> - This might be how they got to the venue today - Or how they get from home to town centre or to local shop - Draw directly on map. Pencil? Diff colour for diff groups... Form groups / select journeys to take for 'expedition' in next session'.	SM/JS	Map, pen, post its	Start to map the routes that participants take Form groups and propose expeditions.
15.45 15m	Summary Introduce participants to idea of taking photos if possible. Ask if for one journey in coming week, they would be willing to photograph barriers to show next session?	SM	Need anything? ie handout?	Summarise session and prepare for expedition

Mapping Mobility Stockport
Style A - Expedition Format
Session 2 (Draft)

Main Objective	Expedition(s)
Length	2 hours
Workshop facilitators	Sam Milsom, Jaime Stowcroft present for mapping assistance
Room setup	Large single table
Tech/equipment	Large print, hi-res map, computer, projector, adaptor,
Documentation	Maps, 360 cameras, dictaphone, notes
Media	Hi-res large-print GIS map of Stockport (provided by Jaime Stowcroft), maps of area from 1900s
Materials	Pens, pencils, post it notes
Catering	Refreshments, tea/coffee/biscuits

Time	Activity	Lead	Materials needed	Outcome
14.00 5m	Introductions, housekeeping, agenda for workshop	SM		
14.05 15m	Did anyone manage to map any routes / take any photos since the last session? If so, map onto GIS map.	SM/JS	GIS map	Mapping

14.20 10m	Thoughts from last session. - Go over routes prepared from the last session & prep to go out.	SM		Preparation for mapping
14:30 1-1.30 hr	Expedition - Out onto streets. 2-3 groups with facilitator taking photos and mapping on paper. - Use 360 camera to take photos of areas, used for next workshop. - Dictaphone to record people if they share their experiences, useful for later mapping	SM / JS / one other	Maps, pencil 360 camera, dictaphone.	Mapping / collecting data
15:45 15m	Return & share initial findings - Map finding directly onto GIS Map and OpenStreetMap	SM / JS	GIS Map / projector	Mapping data

**Mapping Mobility Stockport
Style A - Expedition Format
Session 3 (Draft)**

Main Objective	Presentation of findings
Length	2 hours
Workshop facilitators	Sam Milsom, Jaime Stowcroft present for mapping assistance
Room setup	Large single table
Tech/equipment	Large print, hi-res map, computer, projector, adaptor
Documentation	Map, photos, notes
Media	Hi-res large-print map of Stockport (provided by Jaime Stowcroft), maps of area from 1900s
Materials	Pens, pencils, post it notes
Catering	Refreshments, tea/coffee/biscuits

Time	Activity	Lead	Materials needed	Outcome
14.00 5m	Introductions, housekeeping, agenda for workshop	SM		
14.05 25m	Ice breaker - maps of stockport - Anything interesting from expedition? How have things	SM	Old maps	

	changed?			
14.30 10m	Recap of findings from expeditions <ul style="list-style-type: none"> - Go through where we went, overview of what we found and show photos. 	SM	Maps and photos from expeditions	Recap / reminder
14:45 60m	Mapping of findings onto the GIS map / OSM <ul style="list-style-type: none"> - Share findings. Each group talks about their journey, using photo prompts on projector and discuss. - Also use 360 photos to give better understanding - Sam and Jaime scribble of GIS map and input into OSM as w/ go. 	SM/JS	Maps, photos from expeditions Do we need photos as handouts rather than on projector?	Mapping
15:45	Wrap up and any next steps	SM
